DETAILED ACTION

- 1 This action is responsive to the amendment filed on December 22, 2003.
- 2 The cancellation of claims 10-18 is acknowledged. Pending claims are 19-27.
- 3 Claims 19-27 are allowed.

STATEMENT OF REASONS FOR ALLOWANCE

- 4 The following is an examiner's statement of reasons for allowance:

Braun et al. (WO 99/59527) teaches a hair dyeing composition comprising at least one 2,5-diamino-1-phenylbenzene derivative of formula (I) (see abstract). However, patentee differs from applicant in that Braun et al does not teach or suggest a dyeing composition comprising 2-hydroxy-5-aminobiphenyl derivative compound of the claimed formula (1) in which only one of R3 or R6 denotes an amino, an alkylamino or dialkylamino group as required in the amended claims. Accordingly, the claimed subject matter as a whole would not have been obvious to one having ordinary skill in the art of keratin fibers formulation.

The examiner makes of record that the phrase "particularly human hair" in instant claims 19, 21, 22, 23 and 24 is merely an exemplary keratin fiber, and does not render the claims indefinite.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
